

Stonegate Pickleball Club

Non-Summer, Off-Peak Season

At

Stonegate Swim Club
856 Stonegate Drive, Salem VA 24153
540-444-0025
www.stonegatepool.com

Stonegate Swim Club, Inc. is proud to continue the opportunity within the Roanoke Valley's Pickleball community to access its pickleball courts. Stonegate has 3 new courts and is offering a low rate for our 2022 – 2023 outdoor, non-summer, off-peak Pickleball season that gives exclusive access to our new courts!

Who can participate?

Current members of Stonegate Swim Club and the general public.

What are the facilities?

There are three (3) regulation-sized courts, newly painted lines in 2021, for the exclusive use of the Stonegate Pickleball Club non-summer, off-peak members. Nets are provided on all 3 courts.

What are the hours?

Dawn until dusk daily. These courts are not illuminated for nighttime play.

What is the season?

The Stonegate Pickleball Club non-summer, off-peak play begins the day after Labor Day in September and goes until the Friday before Memorial Day in May.

What does it cost?

Current members of Stonegate Swim Club pay only \$10.00 per household. The general public may join for \$25.00 per household. Once you join and pay the additional 100% REFUNDABLE \$75 deposit, you will be issued a key to the courts.

How do I get access to play?

Stonegate Pickleball Club non-summer, off-peak members will be issued a key to the padlock upon paying a REFUNDABLE \$75.00 deposit. This key may be used by members of the immediate household, but, due to liability concerns, is prohibited for use by any child under the age of 14. It is prohibited to loan, sell, or transfer the key to anyone outside of the household. This key must be returned before Memorial Day each year at which time the key deposit will be 100% refunded.

NOTE: The key deposit is costly because it is our desire to have each key returned at the end of non-summer, off-peak season. While our plan is to refund all deposits at the end of the season, if even one key is lost or not returned, the lock and all other keys must be replaced (at a considerable cost)!

Where is the gate to the courts?

The Pickleball non-summer, off-peak access gate is located at the southwest corner of the courts just off of Stonegate Drive. Parking on Stonegate Dr. along the wooden fence will make it easy to walk to the courts. Parking is also available in the Stonegate Swim Club parking lot. However, there is no access to the courts through the swim club area. Please do not park in the apartment complex across the street.

Is there an age limit to join?

An individual must be 18 years of age in order to be a member. Household members of the immediate family may use the courts without adult supervision if they are at least 14 years of age. Younger children are prohibited from using the courts unless accompanied and supervised by an adult or older responsible family member.

Will there be an attendant on duty?

No – these courts are not monitored. Play is at your own risk! Because there is no staff, nor is there any access to electricity, it is recommended that members bring a battery-powered leaf blower to use to clear leaves and other debris from the courts. A broom is provided for member's use, too.

Are there toilet facilities available?

No, not at this time. Your key gives you access only to the Pickleball courts, not any other facilities of the swim club.

Is there professional instruction available?

Yes, Stonegate has a certified Pickleball Pro, Carter Turner. For an additional cost, Mr. Turner will host periodic clinics, workshops, lessons, and provide personal instruction. Our Pickleball Pro can be reached at: carter@turnerpickleball.com.

Are there court rules?

Yes, the courts are for Pickleball use only. Court hours are daily from dawn until dusk. Players are responsible for providing their own paddles and balls. Stonegate Swim Club may close the courts at any time for repairs, maintenance or special events. It is recommended that appropriate court shoes be worn.

Are guests permitted?

Yes, each member may bring up to four (4) guests at any given time. If the other courts are full, or members are waiting to play, please limit your play to just one (1) court.

How can I find out if the courts are in use?

It is recommended that members both join and make use of the Playtime Scheduler website (<https://www.playtimescheduler.com/login.php>) to identify who is playing on the courts. Note that the Playtime Scheduler is NOT a reservation system, but is a communications tool!

Will I be able to continue to play during summer?

During the summer months, Memorial Day through Labor Day, only members of Stonegate Swim Club will be able to use the courts. Non-swim club members will have to be invited to play by a current swim club member and pay any applicable guest fees. During the summer, clinics and private lessons will continue to be conducted by the club Pickleball Pro and will be open to both swim club members and the general public.

KEY AGREEMENT

Member Agreement & Registration:

I, the undersigned, agree to abide by the following rules & regulations regarding the Stonegate Swim Club Pickleball courts. I agree to pay a Seventy-five Dollar (\$75.00) refundable deposit for a key giving access to the courts and also agree to surrender the key when ending my membership, at the end of the non-summer, off-peak season, or upon demand. I agree that I will not loan, sell, or give the key to anyone outside my household and that under no circumstances make this key available to a child under the age of 14. I understand that these courts are not monitored and that all play on these courts is at my own risk.

NOTE: The key deposit is costly because it is Stonegate Pickleball Club's desire to have each key returned at the end of non-summer, off-peak season. While our plan is to refund all deposits at the end of the season, if even one key is lost or not returned, the lock and all other keys must be replaced (at a considerable cost)!

Court Rules

- Courts are for Pickleball use only.
- Court hours are daily from Dawn to Dusk
- These courts are not monitored – Play at your own Risk
- Children under the age of 14 must be accompanied and supervised by an adult or otherwise properly supervised by a family member age 14 or older.
